

No Touch "Choice"™

Hands-Free Auto-Cut Roll Towel Dispenser

Quiet no touch activation and patented cutting mechanism!

PC-0530

This attractive unit hygienically dispenses sheets with low pull force and a patented, high efficiency cutting technology for the lowest tab-outs in the industry. Satisfies customers and reduces maintenance costs for all Away From Home applications.

USER SATISFACTION

- Patented cutting mechanism provides quiet, efficient operation with low pull force that reduces tab-outs

HYGIENIC PERFORMANCE

- Battery-free, no touch operation for the ultimate in user hygiene—you only touch the paper

UPSCALE IMAGE

- Attractive streamlined exterior
- Stylish transparent smoke cover and black back housing to match upscale washroom decor

EASY MAINTENANCE

- Quick and easy loading with open access and exposed roll holders
- Easy-clean surfaces
- Reliable operation with few moving parts and no electric motors, batteries, sensors, calibration or special servicing needed

ECONOMY

- Replaceable dispensing module lowers repair costs
- No-rust plastic components
- Stainless steel and high impact resins resist corrosion from sanitizing solutions for long-lasting service

LOWER COST IN USE

- Allows for loading a new roll before the stub roll runs out
- Self-threading transfer system allows single sheet stub roll dispensing to eliminate waste
- Uses economical nonperforated rolls
- Two-handed pull encourages fewer sheets per hand dry, reducing overall consumption

No Touch "Choice"™

Hands-Free Auto-Cut Roll Towel Dispenser

The smooth, quiet, battery-free operation of the No Touch provides hygienic dispensing in a patented industry leader.

- Pull-triggered cutting mechanism dispenses one 12" towel (30cm) per pull and automatically advances the next one
- Low pull force (<1.7 lbs/.77kg) dispenses most paper grades without "tabbing"
- Strong stainless steel door hinges
- Easy installation with available mounting plate
- Replaceable dispensing module
- Removable and fixed key provided
- Mounting plate available
- Conforms to ADA standards and HACCP guidelines
- Patented

Specifications:
